

AMERICAN CANCER SOCIETY RELAY FOR LIFE

Join us in the fight against cancer today!

American Cancer Society Relay For Life

The American Cancer Society Relay For Life movement is the world's largest to end cancer, uniting communities across the globe to celebrate people who have battled cancer, remember loved ones lost, and fight back against this disease. Teams camp out at local schools, parks, or fairgrounds and take turns walking or running around a track or path. Each team is asked to have a representative on the track at all times, while entertainment, music, and fun activities keep things lively. Symbolizing the battle waged around the clock by those facing cancer, the overnight event lasts up to 24 hours. Teams raise money prior to the event, then celebrate their fundraising efforts while honoring survivors and remembering those lost to cancer with ceremonies during the event.

Relay For Life National Corporate Team Program

Apex Systems is proud to join the more than 4 million people in more than 6,000 communities in 21 countries helping the American Cancer Society save lives. Apex Systems is making a nationwide commitment to help the American Cancer Society fight for every birthday threatened by every cancer in every community. We're proud of the contribution our employees make in their local communities, and we want to support survivors, caregivers, and everyone who helps end this disease by forming or joining a team or by serving on a Relay For Life committee.

Celebrate. Remember. Fight Back.®

If you'd like to join your local American Cancer Society Relay For Life as part of the nationwide commitment by Apex Systems to fight back against cancer, visit events.cancer.org/RFLApexSystems to learn how you can participate or contact your company volunteer leader today. Together, we are working to create a world where this disease will no longer threaten the lives of our loved ones or claim another year of anyone's life.

Join us in the world's largest movement to end cancer.

We **save lives** and create more birthdays by helping you stay well, helping you get well, by finding cures, and by fighting back.
