

HELPING OUR COMMUNITIES

Apex Systems is committed to helping the communities where we live and work. In addition to supporting our national philanthropic efforts, Apex branches contribute time and resources to local organizations. Each branch has a dedicated Philanthropy Leader who coordinates participation in multiple events throughout the year.

Chicago Secret Santa

Philadelphia GiveCamp

THE AMERICAN CANCER SOCIETY - OUR CORPORATE PHILANTHROPY

Apex has supported the American Cancer Society as our National Corporate Philanthropy since 2009. We've been recognized as a Relay For Life National Corporate Team Partner since 2011. Each year, we organize teams to participate in RFL and other ACS fundraisers and events to support their fight against cancer and their mission to "create a world with more birthdays!"

Atlanta Relay For Life

Boston RFL Wiffleball Tournament

SEPTEMBER - APEX'S MONTH OF CARING

Apex designated September as our Month of Caring as a way to expand our philanthropic footprint and support more local organizations. Each of our over 60 branches will be coordinating one or more events to support the community. In addition, we will be organizing our second Fall Philanthropy Drive to collect warm clothing items and other items for nonprofits.

Apex has contributed over **\$585,000** to the American Cancer Society since 2008

"One of Apex's core values is to do the right thing. It is inspiring to see the many ways our internal employees, contractors, and clients have embraced this value to help their communities."

Rand Blazer
President, Apex Systems

SPOTLIGHT: APEX WARMTH DRIVES

Apex's newest fall philanthropic initiative is our Warmth Drive program. Branches work with their internal employees, contractors, clients and the community to collect warm items to protect against the cold weather. Contributions totaled over \$19,000 and were distributed to a variety of organizations supporting both humans and their furry friends.
